Explorer Passport

Francis Small Heritage Trust 2026 Explorer Trail Challenge Passport

Instructions

Take a pencil or crayon, and this Passport with you to hike on each of the indicated Francis Small Heritage Trust trails. When you are hiking the trail, look out for a plaque that looks similar to the Francis Small Heritage Trust turtle, but is a different animal. Make a rubbing of that plaque in the square for that hike. Keep watch! There is one extra credit history or nature plaque along one of these trails! There will be signs at trailheads and important places along the trails for the trail challenge. If you hike all the trails and make rubbings of all the plaques, you will be eligible for a prize! Explorer winners receive a gift card for a kiddie ice cream cone at **Route 160 Ice Cream**, at the corner of Route 160 and South Hiram Road. Mail your completed Passport to:

Francis Small Heritage Trust
P.O.Box 414
Limerick, ME 04048

Prizes will be available for pick up on Saturday, September 12, 10-11 a.m. at Local Gear, 74 Maple St, Cornish, ME 04020.

With a completed passport, you will also be eligible for a drawing for a \$50 gift card from **Local Gear**, an outdoor sports shop in Cornish, ME. That gift card will also be available for pick up on September 12 as well. Anyone who cannot pick up their prize at that time, please include a self-addressed, stamped envelope when you mail your passport.

Directions:

Ingalls Pond: The parking area is at latitude, longitude: 43.857861, -70.790080, which is just south and across Route 113 from the PY Estes entrance. There is also a parking area on Hiram Dam Road, and you can walk north on the railroad tracks to the trailhead. The extra credit will be found along this loop!

Sawyer Mountain Nature Trail: The trailhead is located at a sharp turn in Route 117, 2.5 miles south of the junction of Routes 25 and 117, or 2.4 miles north of the junction of Routes 11 and 117. There are Nature Trail pamphlets in a box at the trailhead.

Riverview Family Trails: The trailhead is found on River Rd, a dirt right of way which turns off of Routes 117/5 on the Cornish side of the Saco River bridge at latitude, longitude: 43.48250884N - 70.4654516W. There is a Maine Inland Fisheries and Wildlife river access lot near Route 117/5. Drive past that lot on the dirt River Road to the Riverview Lot. The trail starts in the parking lot and heads southeast on River Road, across a bridge, then turns toward the river.

Jagolinzer Preserve: The Jagolinzer trail-head parking is on Olives Way, off Route 25, in Limington near the Cornish/Limington line.
