

Francis Small Heritage Trust Trail Challenge, 7/17 - 8/31/2026 Ingalls Pond Loop, Explorer Trail Challenge

Park at the Trailhead, and walk to the railroad tracks. Alternately, park at the Hiram Dam Rd parking, and walk down the railroad tracks to where the Trailhead parking path meets the tracks. From the Trailhead parking path, cross the tracks and take the path to the right. Walk along the trail, looking for the historical trail challenge plaque on your left. Continue up the trail until it turns right and meets the tracks. Walk back along the railroad tracks. Note: no trains travel these tracks. There is a Historical Trail Challenge plaque on this trail.
