

## Francis Small Heritage Trust Trail Challenge, 7/17-8/31/2026

### Riverview Family Trails, Explorer Passport

From the Riverview Parking lot, walk south on River Rd. Cross the small bridge and turn left, following the pink flagging onto the Riverside Trail. Walk to the steps then descend to the riverside. Use caution - there are steep and narrow spots. Walk to the end of the Francis Small HT property. This is an out and back hike, but you can make it a loop by taking the connector trail at the top of the stairs (straight across from the stairs) to River Road then turning right to head back to the parking lot.
