

Francis Small Heritage Trust Trail Challenge, 7/17 - 8/31/2026

Sisson Heath Loop Trail, Adventurer Passport

From the parking lot, the Heath Loop trail travels east out of the parking lot. Watch for various turns along the trail, which is well marked. There is a board walk section where the Heath is easily visible, but this is mainly a level woodlands walk. It is listed as Heath Loop Trail, Maine in AllTrails.
